

July 15/2022  
Covid Policy

The following practices and procedures are part of our effort to ensure, as best we can, the safety of our instructors and students as we operate. We realize the fluid nature of COVID-19 will cause these procedures to evolve.

WKC will follow local, state and federal guidelines relative to COVID.

Students or instructors who test positive for COVID-19 or exhibit any of the symptoms of COVID-19 are asked to stay home and follow local and state health recommendations.

Personal crates and any belongings must be removed at the end of class.

Hospital grade filters have been installed in the HVAC system throughout the building. All instructor tables will be equipped with hand sanitizer, disinfecting wipes, disinfecting spray and disposable gloves for use at their discretion. Hand sanitizing stations will be placed throughout the building.

All classes will begin and end on a strict schedule to facilitate social distancing of students entering and exiting the building. Follow your instructor's directions for entering or exiting the building.
