

## Wenatchee Kennel Club Membership Policy

Wenatchee Kennel Club is an AKC All Breed Club. We promote the advancement of all dogs in our area with shows, training classes, exhibitions, matches and awards.

All applicants for club membership must submit a completed application form to the Membership Chair. Yearly dues will also be required before the application package is presented to the Board of Directors. After approval by the Board of Directors, the application will be voted on by the membership.

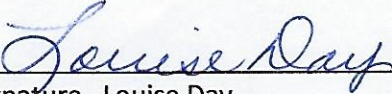

There are three optional tracks for membership:

1. Attend a membership meeting prior to submitting your application packet. Submit the complete packet (Application and yearly dues) to the Membership Chairman. Your application will be presented at the next Board of Directors meeting for review and approval. Attend the next regular monthly membership meeting to be introduced, and your application will be presented to the general membership for final vote.
2. In lieu of attending the two meetings, you may volunteer at least 4 hours at each of two major events (tests, trials, shows, approved seminars), and other projects as determined by the Board of Directors, held by the club. Include a list of the hours and the events that you worked when submitting the application packet (application, list of hours and yearly dues) to the Membership Chairman. Your application will be presented at the next Board of Directors meeting for review and approval. At the next regular monthly membership meeting your application will be presented to the general membership for final vote. You are still welcome to attend the membership meeting.
3. Attend a membership meeting prior to submitting your application packet and volunteer 4 hours at any one major event in lieu of attending the second membership meeting. Include a list of the hours and the event that you worked when submitting the application packet (application, list of hours and yearly dues) to the Membership Chairman. Your application will be presented at the next Board of Directors meeting for review and approval. At the next regular monthly membership meeting your application will be presented to the general membership for final vote. You are still welcome to attend the membership meeting.

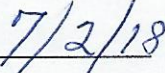

*Membership Application and yearly dues are reimbursable if you decide not to join prior to the vote by the general membership.*

### Reinstatement

If your dues have lapsed for a year or more, reinstatement will require the above process. If your dues are delinquent after January 31 but within the same calendar year, you will complete an Application for Reinstatement of Membership and submit it with your yearly dues for consideration by the Board of Directors.
